# BUILD PAKISTAN 2014

## The 3<sup>rd</sup> International Building & Construction Technology, Materials, Property, Interiors & Architecture Exhibition & Conference

**25<sup>th</sup> - 27<sup>th</sup> February, 2014** Expo Centre Lahore

### BUILD PAKISTAN 2014

FAKT Exhibitions (Private) Limited presents Build Pakistan 2014 – The 3rd International Building & Construction Technology, Materials, Property, Interiors and Architecture Exhibition & Conference. During the past three years the event has marked its presence and transformed the business landscape. The event is focused on the robust and dynamic Building and construction industry and its main drivers like building materials, construction technology, property & real estate, stone, furniture and housing interiors etc.

This time the show will bring together more international participation on a single platform to exhibit and exchange great business opportunities at the show. The event is expected to be attended by over 20,000 visitors to get aware on the latest developments in the regional industry.

#### Reasons to Exhibit

- Make new business contacts and generate business
- Get up-to-date with industry developments
- Opportunity to listen to valuable feedback directly from your target markets
- Demonstrate & launch new products & technology
- Extensive media exposure before, during and after the event
- Stay ahead of the industry and developments in the world market

#### Reasons to Visit

- Showcase of latest industry products and services
- Network with industry professionals
- Largest gathering of business experts
- Find potential suppliers of the industry
- Source a specific product or service
- Attend industry focused conference / seminar

#### Show Highlights

- Broad range of construction job functions in attendance
- Face-to-face meetings with proficient market leads
- Building new business partnerships and strategic alliances
- The largest ever marketing platform by the industry and for the industry in Pakistan
