The 3rd International Energy, Gas, Oil & Power Exhibition & Conference

PAKISTAN'S PREMIER ENERGY EXHIBITION

18th - 20th September 2014

Expo Centre, Lahore

EGO Pakistan 2014

EGO Pakistan 2014- The 3rd International Energy, Gas, Oil and Power Exhibition & Conference is going to be the benchmark event in the energy sector, which would draw together the energy resources and decision makers on one platform. The event will not only feature the conventional energy sources like oil & gas, the exhibition would also highlight the non-conventional renewable energy resources that are abundantly available in Pakistan like wind, solar, bio-mass and coal. Moreover the exhibition would showcase the latest technologies in oil & gas exploration, energy conservation and is expected to bring massive foreign investment in the energy sector of Pakistan.

EGO Pakistan 2014 aspires to be the biggest energy event of Pakistan, aiming to highlight the immense energy potential of Pakistan. The energy sector continues to dominate the overall structural character of Pakistan's economy.

Many local and international companies are eager to invest in Pakistan's energy sector and EGO Pakistan is bound to provide them the opportunity to explore the endless possibilities.
